

Wrap Around Series 2 LED DC Light Fixture

Exterior Mounted unit with a 12 Watt 24DC, 48DC or 125DC LED Lamp, equivalent to a 100 Watt incandescent lamp. The WPM has an aluminum reflector for maximum photometric efficiency and optimum distribution as well as a high impact gasket, around a borosilicate molded glass lens which is vibration and shock resistant.

Applications: Sub-Station, Computer, Telephone Battery Rooms & Off-Grid sites.

T8WLS-2LED-24DC-20-WH

T8WLS-2LED-48DC-20-WH

T8WLS-2LED-125DC-20-WH

- T8 - Lamp Type
- WLS - Wrap Around Series
- 2LED - Two (2) T8 20W LED Lamps
- 24DC, 48DC or 125DC - Voltage
- PR - Prismatic Lens
- 20 - 20 Watts
- WH - White Reflector

T8 20 Watt 48 Inch 24DC, 48DC or 125DC Volt LED Tube Lamp

- Input Voltage: 24DC, 48DC or 125DC
- Power Factor: >90
- Size: 1" x 48"
- Power: 20 Watt
- Lumens: 1800
- Color: 4000k
- Color Rendering Index: >80
- PC Lens: Clear, Frosted, Milky Beam
- Angle: 160°
- Lamp Life Expectancy: 50,000 Hours

- Operating Temps: -4°F to +150° F
- Warranty: 3 Years
