Bi-Directional Indoor Wall or Ceiling Mount Light Fixture w/ 3Watt 48DC Lamp

WCM-1LED-48DC-3-BZ

WCM-1LED-48DC-3-WH

WCM-1LED-48DC-3-BN

- WCM: Wall or Ceiling Mounted
- 1LED: One (1) LED Twist Lock lamp
- 48DC: Power Input
- 3: 3Watt MR16 GU-10 lamp
- BZ: Bronze finish
- WH: White finish
- BN: Brushed Nickel finish

5" diameter canopy with a bi-directional spot lamp housing for wall or ceiling mounting. The Canopy can cover a 4" octagonal box and the base unit power and comes with a 3W 48DC 4-Pin MR16 GU 10 lamp and requires 48DC power input.

In addition, the unit comes with a metal strap for easy installation and is designed in bronze, white or brushed nickel finishes which makes the light fixture both durable and attractive.

Notes:

1. When ordering or requesting a Proposal, please indicate project.
2. All fixtures are UL & CUL listed and manufactured in the U.S.A.
